| | | | |
|---|--|--|------------------------------|
| United States District Court | | DISTRICT WESTERN DISTRICT OF WASHINGTON | |
| UNITED STATES OF AMERICA v. THE PIONEER CONSTRUCTION MATERIALS COMPANY, A DIVISION OF RIEDEL INTERNATIONAL, INC. | | DOCKET NO. | MAGISTRATE'S CASE NO. |
| | | TO: Gerd Hattwig, Special Agent U.S. Environmental Protection Agency, and Special Deputy United States Marshal (or any other authorized agent). | |

Affidavit(s) having been made before me by the below-named affiant that he/she has reason to believe that (on the person of) (on the premises known as). The Duwamish ready-mix concrete plant of the Pioneer Construction Materials Company, a division of Riedel International, Inc., a multi-acre industrial facility located at 5975 East Marginal Way South, Seattle, Washington, bordered on the east by East Marginal Way - First Avenue South, on the south by a chain link fence and the shoreline of Slip #2 (an inlet which appears on navigational charts of the Duwamish River), on the west by the Duwamish River shoreline, and on the north by a large building with the address 5931 E. Marginal Way South, which building is occupied by another company, the Norwest Gypsum Company. The Pioneer facility is clearly identified as such by the name Pioneer Construction Materials Company in large red letters on a two-story tan office building facing East Marginal Way South, with the name Glacier Sand and Gravel Co. in smaller green letters also appearing below the name of Pioneer. The building is further marked by the street address 5975 and the Pioneer Company's logo, a large red "P" on a green circle depicting a globe. A large metal building is also located on the premises, forming part of the eastern and southern border of the plant.

The Pioneer Construction Materials Co. plant contains a second two-story office-type building at the south west corner of the facility, a number of large tower-like structures used in concrete production, a water tower, and some large open waste water storage lagoons or trenches adjacent to a bulkhead on the southside. Further more there are a number of conveyor belts and piping connecting various structures. On and in this facility in the Western District of Washington, there is now certain property, to which the affiant and other employees of the United States

(See Attachment A)
